

## Certificate of Appreciation

Hi Rahul,

Thank you for your incredible work in finding an S3 Open Bucket with sensitive information.

The way you have reported this issue was clear and on point, therefore this vulnerability has been passed to the Security Team and resolved accordingly.

From DAN Company we are very happy for you to use this "Certificate of Appreciation" to help you on your future career or for any future reference.

Your outstanding way in helping DAN Company and providing a well written information helped DAN Security Team to keep our Network safe.

Once more we are very grateful for your outstanding help and the time effort you put it on this case.

Wishing you all the best from DAN Security.

Kindest Regards,

DAN Responsible Disclosure Team.
